

# ALESWORTH SONG

 alesworth, more than it seems,  
Halesworth, gold-winning town,  
Our place, a centre for all,  
Its magic stays with you.

 alesworth, more than it seems,  
Halesworth, gold winning town,  
Our place, a centre for all,  
Its magic stays with you.

 alesworth, never extreme,  
Halesworth, proud of its crown,  
Our place, first port of call,  
This town's a dream come true.

 alesworth, never extreme,  
Halesworth, proud of its crown,  
Our place, first port of call,  
This town's a dream come true.

*Once you've left the Thoroughfare,  
Take a stroll around the Green,  
You'll feel like a millionaire,  
Trav'ling in a limousine,*

*Once you've left the Thoroughfare,  
Take a stroll around the Green,  
You'll feel like a millionaire,  
Trav'ling in a limousine,*

 alesworth, one of the best,  
Halesworth, good all the way  
through,  
Our place, it passes the test,  
Round ev'ry corner something new.

 alesworth, one of the best,  
Halesworth, good all the way  
through,  
Our place, it passes the test,  
Round ev'ry corner something new.  
Stay a while and don't pass through  
Something there for me and you  
**HALESWORTH!**

 alesworth!  
It's like a hub, drawing in from all  
around,  
Halesworth!  
Both near and far, people come  
once they have found,  
Halesworth!  
Has got it all, eat and drink, we love  
the sound,  
Halesworth!  
Yes, what a town!
